They say that a relationship-ship of

is like a relationship between husband and wife.

a pitcher/catcher duo working together perfectly,

Me and Miu,

we're just that good of a battery!

But

why is this happening?

Mnngh!

Mhhn

tongue...

Her tongue's-

You're blushing all over. So cute.

Asuka!

ドルーン

We're in the clubroom! What if someone sees us? It'd be bad!

Miu!

What are you doing!?

I only stayed behind because you said you wanted to practice!

Don't worry. It's just you and me here.

But everyone's gone home for the day already, right?

ドン

Ah...

And it's with Asuka!

Mnn!

Don't run away from me, Asuka.

Ahh!

That's my first kiss!

You idiot, Asuka.

you never thought I was serious.

No matter how many times I said it,

HYAH!

What could I do?

You never noticed my feelings for you.

Ah...

Ah!

It's all sweaty!

I forgot my towel!

I love you, Asuka.

キャハハハ

Hurry up, Captain! We're going for takoyaki!

(おお)

Stop! Miu!

はお

Ding Dong!

Captain! Help...

Occupied

...Huh?

Miu was the one who pushed me down...

Don't just ignore me!

We're both girls, you know!?

One-two! One-two!

Just my word of advice as captain:

"Don't have sex in the clubroom."

I thought she was cute from the moment she joined.

Of course I love Miu.

I never considered that.

Miu's... serious about me.

What do I do now?

You're just so cute.

I love you, Miu.

My wife!!

I love you too, Asuka!

Some-times, when I saw her girlish side, my heart would jump...

Such a Late-bloomer.

Anyways, our match is coming up, so make up with her.

Miu's feeling really down.

Eep.

If you two don't work it out, we'll be in trouble.

Yeah right!

Sounds like you're bragging about your relationship to me!

That's how normal friends are, right?

Seri-ous?

...Looks like you're both serious about each other to me.

Even if my throws were off,

she would always firmly catch them.

But since then, it hasn't been working out.

Neither of us can look straight at the other.

Miu looks like a fragile flower,

but she's a really good catcher.

More like, we can't even talk.

I don't like this.

ぱっ

The match... What do you want to do, Asuka?

I just want to go back to being the best battery with her.

Hey, Miu. I was talking to Captain about this too,

but what kind of throws should I use for this match?

Tell me.

I-If...

SHE LISTENED TO ME!

Here it comes...

Think about it for a moment.

Er...

You trust me,

but you're ignoring my feelings?

Huh?

Um! If...

Because I trust you!

I'll throw anything!

If you're signaling me,

You're always saying "I love you, my shocked wife!" and you're just a kiss!?

Look at you!

むっちゅうう

!!

I tried really hard to make a move on you, too!

Move...?

Forget it!

Asuka, you idiot!

Angry

Y-You're the idiot!

Doing it in front of so many people!

うっせぇ...

Stomp Stomp Stomp

Um...

I like Miu,

but I don't know about relationships or anything...

女子力UP

I'm sorry.

This lover's spat is getting serious.

Am I guilty here?

Drastic measures are in order.

This is just a pain.

Right.

Right?

...is what she says. Forget about batteries, you two are practically married, from our point of view.

Ugh.

Trying to deny it now?

Don't you feel sorry for Miu?

Help!

Ah! Miu!

Et tu?

I'm leaving the rest to you, Miu.

Thanks for your help, Captain.

Make your husband a woman.

That came out weird. Whatever.

Nobody cares about how I feel!?

Uiua comra-derie!

We won't tell the teachers.

...Asuka.

You two better make up!

Let's go for taiyaki.

Are you all idiots!?

Tied up

Hey!

What is this!?

Give up. Struggling will only hurt your wrists more.

You're evil!

Back then I was too surprised to notice.

Miu's tongue is so soft and feels so good.

Ah.

I'll strip too.

ドキ

Does it feel good, Asuka?

Y-Yeah.

not normal at all, but...

The situation we're in is definitely

Miu's even more serious than she is during a match,

I saw

Catchers are cool ♡

"I was playing softball all this time so I could be in a battery with her," Asuka

Miu...

Why do I have to spell out everything for you?

This is exactly why you misread my signals sometimes!

Huh? No way. I misread your signals?

...It means my love for you as a partner turned into romance, of course!

Thanks

I'm so happy!

Huh? Is that the same as the kind of love for someone you want to kiss?

Today I'll make you understand just how much I love you.

Prepare yourself!

ドキ

But I love that about you too I love it all

...

we'll become the best partners!

I think I understand romance a little bit more, now.

...You can do anything to me.

Can I?

(Ha) (Ha)

I wanted to do it with you,

so I looked up how to do it between girls.

Anything you want, Miu.

and we feel like never letting go.

Our bodies and feelings come together

Ah! Ah... Mi-333-!

Congratulations. On popping your cherry? Losing your virginity? Either way.

"Nobody in this club cares about how I feel." - Asuka

Let's beat them, Asuka!

you can use the clubroom once a week.

If that's what it takes,

I'm a very understanding captain!!

I'm sure we'll continue to be

Miu! Ahhhh!
